- **Sewer report:** Nothing to report.
- **Park report:** The dead tree at the ballpark still needs to be removed.
- **Recycle report:** Nothing to report.
- **Water report:** The required IEPA changes to the water plant are near completion. The conversion from gas chlorine to liquid chlorine should be complete in about two weeks.
- **Street report:** Nothing to report

PUBLIC ANNOUNCEMENT/GUESTS

- There were several reports of a solicitor going door to door Saturday trying to sell cheap electricity and gas. He was very pushy in trying to gain entry into resident's homes. He stated that he had the proper permits but could not have obtained such as Village Hall was closed. Residents should know that all solicitors are required to check into Village Hall prior to door to door sales. Residents that feel threatened should contact Village Hall or call 911.

PUBLIC COMMENT

- Milford Mueller complained to the Board about farm machinery sitting on residential lots in his neighborhood. He stated that many pieces have trees growing up through them and have not moved in years. Chief Schlesinger replied that he has been working on a list of violators and is in the process of contacting property owners to fix the violations. He asked that he be patient as this process does take some time.

NEW BUSINESS:

- Moved by Wine, second by Long to approve the Mayor's revised committee appointments. All Ayes.

ADJOURNMENT:

- Moved by Dyson second by Harvey to adjourn at 7:50 pm. All Ayes.
